

Replacement Figures

Applicants submit herewith a total of twenty-four (24) sheets containing replacement Figures 14 (ten sheets) and 19 (fourteen sheets). The original Figures have been replaced to reflect inclusion of the complement sequence identifiers (described above) in the Figures. Figure 14 now includes a sequence identifier for the primary sequence (SEQ ID NO.: 10) and its complement (SEQ ID NO.: 28). Similarly, Figure 19 now includes a sequence identifier for the primary sequence (SEQ ID. NO.: 23) and its complement (SEQ ID NO.: 29). No new matter is added by way of the replacement figures. Entry of the Replacement Figures is respectfully requested.

Should the Examiner have any comments or question regarding this reply, he is invited to contact the undersigned attorney.
